

Downtown St. Joseph Façade Grant Program

What is the Façade Grant Program?

The Façade Grant Program aims to preserve downtown St. Joseph's unique character and sense of place, prepare vacant spaces to make them more attractive to prospective tenants, fund improvements to existing business increasing visibility, and driving additional sales.

How much funding is available?

The program will offer grants of up to \$10,000 per project, with the building or business owner making a 1 to 1 match. Projects may exceed \$20,000, but no additional matching dollars are available.

Which buildings are eligible?

Privately-owned buildings located in the DDA are eligible.

What kind of work is eligible?

Eligible façade work includes, but is not limited to projects that open building exteriors, such as adding windows, removing infill, replacing doors with something transparent, adding exterior lighting, cleaning façade, etc. Priority will go to vacant properties, ground floor improvements, elements that improve retail visibility or embrace downtown design best practices.

What are program priorities?

- Activation of vacant properties
- Storefront improvements
- Elements that improve retail visibility, display windows openness, retail best practices
- Removal of cladding to reveal original façade
- Opening of transom windows
- Ground floor improvements
- Opening windows for upper-floor conversions in vacant space
- Improvements that better connect storefronts to the public realm (i.e. opening of façade for indoor/outdoor dining space)

When and how do I apply?

Applications for the Façade Grant Program will be made available on the City of St. Joseph and Cornerstone Alliance websites on 2/15. Applications can be submitted to Cornerstone Alliance on 3/15. Applications will be reviewed on a rolling basis.

What do I need to apply?

Applicants will be required to submit a quote or cost estimate for the work, a drawing of the work being proposed, and an explanation of how this work will benefit your building or business and the downtown.

Do I need a permit to do the work?

Yes. If your project is selected, you will receive a pre-approval letter from Cornerstone Alliance. Once received, you will be required to apply for any required City of St. Joseph permits. You will also be required to receive a Certificate of Completion from the City upon completion of your project.

How quickly should the work be done?

Projects are to begin within three months and be completed within six months of final approval. A three-month extension can be requested by contacting Andrew Haan at Cornerstone Alliance. ahaan@stonealliance.org

How do I get the funding?

This is a reimbursement program. Within 30 days of receiving your Certificate of Completion, you can submit copies of your paid invoices, Certificate of Completion, and photos of your completed work to Cornerstone Alliance for reimbursement. Upon submission of completed documentation, funds will be issued within two weeks.

Who can answer my other questions?

Contact Emily Hackworth, Assistant City Manager, at ehackworth@sjcity.com or at 269-983-5541 or Andrew Haan at Cornerstone Alliance at ahaan@stonealliance.org or 269-757-0028.
