Howard Trail Bridge Rehab

December 1, 2023– The Howard Trail Bridge, located at the end of Lake Ct. and behind the Water Treatment Plant, will be closed for rehabilitation beginning Monday, December 4. The City anticipates reopening the bridge to pedestrian traffic late on Friday, December 8. This is the final phase of a three-year project to update the structure.

For more information on the Howard Trail Bridge or the work underway, please contact the City's Department of Public Works at (269) 983-6341 or visit www.sjcity.com.
