## ATTACHMENT A

### Temp Roll Off containers:

Roll off containers for standard waste material, not construction or special waste.

Please find standard roll off pricing below. Note that Rates are subject to change depending on weight, material, service time and increased disposal cost.

Please call the office for most current and up to date pricing.

20 yard	\$541.00 per empty 6-ton limit *
30 yard	\$600.00 per empty 8-ton limit *
40 yard	\$680.00 per empty 10-ton limit *

Please note anything over the tonnage limit will be billed \$50.00 per ton.

### E. Downtown Recycling

Contractor shall provide the following services in the City's downtown area for collection and disposal of recyclable material.

- 1-6-yard cardboard recycling at a location agreed upon by the City and contractor, Collected twice per week at a rate of \$143.00 per month.
- 5-8-yard containers for cardboard recycling at a location agreed upon by the City and contractor, collected twice a week on days agreed upon by the city and contractor at a rate of \$143.00 each

### F. Public Works

- 40 yard Roll off - Trucking \$346.00 per empty 2-ton limit \$50.00 per ton over.

Additional Potential Fees - Rate adjustments shall be negotiated and adjusted by and between The City and the Contractor for any governmental surcharges, taxes, fees or changes in law imposed after the contract start date that may increase the cost of collections for the Contractor, and any increase in processing fees imposed by the Material Recovery Facility. The rate increase shall be agreed to, in good faith by both parties, to reflect the actual increased cost made retroactive to the date of the increase and made payable upon the next available City budget adjustment period. The Contractor shall not be entitled to any such increase associated with violations of the law, regulations, ordinances or permit conditions.
